Workshop and "Family Sharing"

The planning committee is working on activities and workshops. We are gifted in our family to have many professionals who are at the height of their professions and are respected in their fields. We want the weekend to be fun, enriching, and enlightening. The hotel has offered us a room to use as we please. In the past we have had speakers to enhance our wellness and presentations for our amusement. This is our chance to get to know our family members better. If you would like more information about a particular subject, let us know that as well. Perhaps, we may find a very knowledgeable resource among us. We are here to share the entire weekend with our family members. Let us know ***your thoughts!***

Family Where Ever We Are - NJ

We have met in the north, south, east and even in the mid-west and we locate our reunion this year in New Jersey! Some may say 'Why?, New Jersey!' You will see, after this weekend, you will say 'Why not, NJ!' Ranging from the famous boardwalk in Atlantic City, to the NJ Shore, to the mountains toward Pennsylvania, NJ has it all! Our family has migrated to all the surrounding areas through the years. With NYC as its neighbor to the east and Philadelphia as its neighbor to the south, NJ provides an easy passage through the northeast corridor toward New England. The NJ Turnpike has been a part of many jokes but there is more to NJ than the turnpike! In a matter of an hour, you can cross the state into the Delaware Water Gap and catch a few of the locals canoeing, kayaking, or riding their bikes along the Delaware River. For those who enjoy skiing, NJ has many ski resorts in the north section of the state. For the sun lovers, you can not pass the famous NJ shore. From Gateway National Park to Cape May, the beaches become more beautiful as you travel south! Baltimore and the District of Columbia can be reached within a 2 hour drive depending upon your point of origin within the state! What ever your pleasure or your wish, you can feed your interest in New Jersey. If you are interested in family and fun, let your NJ Planning Committee know what we can do to have a 'family-fun-filled weekend!' Welcome to New Jersey, Cousins!

Send your check *today!*

Let's make this the "best attended" reunion ever! Since we did not meet last year, there's a lot to talk about and share.

Contact Tammy and make your payment as soon as possible. We need to have a good headcount for successful planning.
