PenderROCK People are EVERYwhere!

Because we are 'special'?

OK! Let's go with that theory!! {{{laughing}}} Or, it *could* be because we know our history and know literally hundreds of relatives. Since we keep in touch with a broad number of family members, we get to see how this family participates in American events. I propose that it is not that we are behaving differently, but that we simply know what our family is doing.

Viola Green Rose marched in the inaugural parade with the Air Force Reserves. Viola is the granddaughter of Edith Jacobs Williams ('Edie'). Her great-grandparents: Anguish Jacobs & Hattie Merritt Jacobs. Great-great: Taylor Jacobs & Catherine Williams; Joe Louis Merritt & Minerva Walker.

Willie Colon is a Super Bowl Champion, having just played for the Pittsburgh Steelers in the 2009 game. William's mother is Jean Davis Colon. His grandmother was Sarah Gibson Davis, his great grandmother was Nancy Wheeler Gibson and his great great grandparents were Jesse Wheeler and Sarah Lamb Wheeler.

Ed Wheeler, is a nationally-recognized actor

Will Downing Jr. is married to a PenderROCK woman (Wheeler).

M.L. Carr (former Boston Celtic). He is a West.

Michael Jordan is not (I repeat 'not') related to most PenderROCK people. He is a Herring – related to the husband of Annie Walker Herring, and to Carrie Herring Walker. Annie Walker's descendants and Joel & Carrie Walker's descendants are kin to Jordan.
