A Tribute

Yours was a useful life
You wrought well while here
You were generous with your time
As you toiled from year to year
Many a life was dedicated to things noble and true
It was no task for you to work
That, you wanted to
You'll never be forgotten though you've passed away
The deeds you left behind will live on each day.
We didn't want to give you up,
Sleep, sleep on, take your rest,
This act of God we dare not question
For He alone knows best.
