The Obituary

"There are many fine women in the world, but you are the best of them all."
-Proverbs 31:29

Sally Ann Newkirk-Palmer was born on October 22, 1960 in Pender County to the late Liston and Martha Newkirk. Sally departed this life on the 15th of September 2023 at Lower Cape Fear Life Care Center located in Wilmington, North Carolina. She was preceded in death by her parents, and nephew, Byron Newkirk.

In the early years Sally became a member of New Hope Missionary Baptist Church and remained a faithful member until her end. She also attended St. John AME Church located in Wrightsboro, NC on a regular basis as well.

Sally graduated from Pender High School in 1980. She then attended Troutman Beauty School in Wilmington, NC for Cosmetology. After her completion of Cosmetology School, Sally moved to New Jersey to build her life and career.

While in New Jersey, Sally found her true calling which was being a caretaker. She became a wonderful caretaker of the young and the elderly. She found fulfilling employment with her beloved Bolger Family and a local nursing home. She remained faithful to this path for twenty-five years while in New Jersey.

While in New Jersey she met and married her husband of twenty-five years, James. She remained faithful in the union until the vow - until death do us part, was rendered.

The couple moved back to Wilmington, North Carolina after a few years of marriage. Sally picked right back up where she left off by becoming a caretaker to her older sister, Helen. She also found employment with Wal-Mart on Carolina Beach Road. She was em-

To My Family....

Don't grieve for me!

I am following the path God laid for me

My days on earth have ended.

Remember the good times

And bad times we shared.

God saw that His garden was missing a special flower

So he took me as his chosen one.

So I am free of pain.

To my nieces and nephews,

Remember to keep God first in you lives

And to my family, he will make it alright

I started out working for Jesus at a very early age

And I can't turn around.

I looked at life as a precious moment in time

That God had given me on this earth to do

Now my job has been completed down here

I am free of all pain

And now God needed me up there

To carry on working for him.

I AM FREE!!!

Love,

Sally
